4th of July is one of our favorite holidays. Besides celebrating our freedom and Independence it also marks another anniversary of Camp David. We have been in existence 9 years and to mark my 4 yrs here I will have a Free BBQ. This year the holiday falls on a Saturday so if you haven't already made reservations do so now. The new buildings will not be ready by the 4th as all good things take time.

Summer time is finally here and more importantly so is the

For those of you that are not sure if you like

rain. They have finally lifted the burn ban but with the rains come the mosquito's. Luckily mosquito control sprays and baits the lakes here but we still recommend you bring some spray with deet in it.

We know you are trying to help us but it actually makes it harder on us if you do not stop at the gate and call. It is especially hard Saturday afternoons when we are so busy. Please be patient and careful.

camping keep in mind there are a couple of private RV's and other accommodations to stay in. Due to the increase in popularity it is important to make reservations even for tent camping.

It is hard to believe but half of 09 is behind us. If any of you snow birds have not made your reservations you need to do so now.

Should you not wish to receive our newsletter please email or call the office and you will be removed.

## It's hard to believe its been 4 years already.

It has been 4 years and a lot of hard work since I bought Camp David from Richard, Neal and Wally. As I look back I am grateful to them for their hindsight in creating a place for men to gather and enjoy. It truly is a special place. Not just

for the beautiful surroundings but also its members. There are many members that have worked hard to make this place what it is today and even more to keep it a great place to be. I am very thankful to everyone for your continued

patronage, loyalty, hard work and friendship. A big heart felt thank you to everyone for your continued support. By working together more good things will come in due time.
