'09 PROVED TO BE A GREAT YEAR AND 2010 LOOKS EVEN BETTER

What a great year '09 turned out to be. The year started with a big New Years party and show. (We won't forget our "Dream Girls"....) Many of our members found St. Patrick's Day to be a lucky one. The Easter bunny left lots of treats for everyone here. The 4th of July BBQ was a big hit and most recently Thanksgiving and Christmas was very special. Personally, I liked Halloween best with so

many in the costume contest.

Thanks to the volunteers and newly formed garden club for the improvements to the campground. '09 brought us a new tractor with bucket and adjustable blade. Besides the many uses within the campground it will be a big help with the road. We also hired a person to treat the over growth in the pond and will probably do the same to the back

pond. However, the new buildings did not pan out as planned. To bring them up to code would exceed \$25,000. They have since been donated to our neighbor as dog houses so hopefully we wont be hearing the dogs
